

LUMINOUS WINDSHIELD PROTECTION FILM

Luminous windshield protection film provides a strong, nearly invisible layer of defense for automotive glass. Engineered for professional installers and advanced detailing centers, it helps preserve the windshield's clarity, strength, and everyday performance. Built with premium TPU technology, it shields against environmental impact while keeping the glass looking completely natural.

PRODUCT FEATURES

IMPACT-ABSORBING PROTECTION

Helps withstand minor road hazards and reduce windshield damage, extending the glass's lifespan.

STRONG UV FILTERING

Effectively lowers UV exposure to the cabin, minimizing interior fading and long-term sun damage.

CRYSTAL-CLEAR & DISTORTION-FREE

Stays fully transparent and true to the original glass, maintaining visibility without haze or tint.

HYDROPHOBIC WEATHER PERFORMANCE

A smooth surface repels water and snow, keeping sightlines clearer in rain or winter conditions.

SELF-HEALING SURFACE LAYER

Light scuffs and marks gradually diminish on their own, keeping the windshield looking cleaner over time.

EFFICIENT INSTALLATION

Flexible TPU material stretches smoothly for precise placement, making installation fast and easy for professional installers.

WARRANTY BY THE MANUFACTURER

From the date of installation, the manufacturer guarantees that **Luminous® Windshield Protection Film**, professionally sold and installed, is free from manufacturing defects and adhesive failure when used and maintained as intended under normal conditions.

Conditions For Warranty Coverage:

- Installation must be carried out by an authorized Luminous installer, following recommended procedures.
- The warranty covers manufacturing defects and adhesive failure only; it excludes normal wear and tear, installation-related issues, and pre-existing glass damage.

Warranty Claims:

- If the film fails solely due to a manufacturing defect within the warranty period, the manufacturer will replace the material at no cost; labor for removal and reinstallation is not covered.
- Claims must be submitted through the authorized installer, with proof of purchase and installation plus photo or video evidence of the issue.

Limitations And Disclaimers:

- The manufacturer disclaims liability for indirect, incidental, or consequential damages, including loss of use or business.
- No other express or implied warranties are provided, including merchantability or fitness for a particular purpose.
- Replacement film carries only the remaining balance of the original warranty period and does not extend or restart it.
- Coverage is void if the product has been subjected to improper care, unauthorized modification, or non-approved chemicals or cleaning products.
- This warranty is non-transferable unless the new owner provides proof of original installation and a valid remaining warranty period.
